Advancing Women's Health

All proceeds raised from this year's tournament will support the Michèle S. Darling Women's Imaging and Assessment Centre at Trillium Health Partners.

This Centre improves care for our community's women by integrating a number of critical women's diagnostic services in one accessible location—regular breast cancer screening and diagnosis, ultrasound, breast biopsy and mammography services.

Our Centre has also been designed to accommodate patients by enabling them to have biopsies and consult with a surgeon in one visit—and over 1,400 women are expected to visit our centre every month.

Your support through Women with Drive will make a meaningful difference in the health of fellow women in your community.

Sponsorship Opportunities

Trillium Health Partners depends on the generous support of the community to maintain its position as one of the largest community based, academically affiliated acute care facilities in Canada.

By partnering with us through Women with Drive, you are aligning yourself with a recognized leader in health care and joining like-minded corporate and community leaders. This tournament offers its event partners with a wide range of benefits, media exposure, and an opportunity to help build a healthier community—and all sponsorship levels can be tailored to meet your business objectives.
